Troubleshooting

Q1: How to set indicator light as rapid flashing?

- Power on device. Power off after 10s and then power on.
- Hold the reset button for 5s.
- Confirm indicator light is now rapidly flashing

Q2: How to set indicator light as slow flashing?

- Power on device. Power off after 10s and then power on.
- Hold the reset button for 5s
- Confirm indicator light is now rapidly flashing.
- Hold reset button for 5s until indicator light is slowly flashing.

El nuevo dispositivo agregado necesita 1 minuto para conectarse a las redes e Internet. Si permanece desconectado durante mucho tiempo, juzgue el problema por el estado del LED de las redes. El LED

de redes parpadea rápidamente una vez cada segundo;
