

# Manuale di istruzioni

## Striscia LED Smart RGB Bluetooth TV 3m

Avrai bisogno dell'app Nous Smart Home. Scansiona il codice QR o scaricalo dal [link diretto](#)

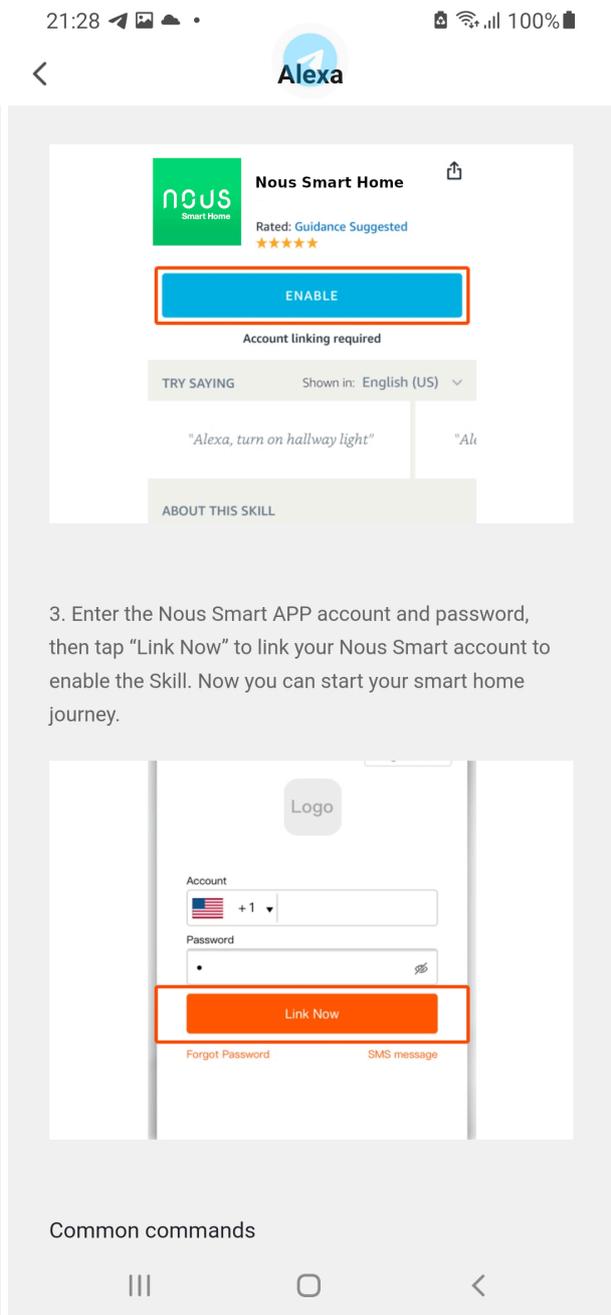

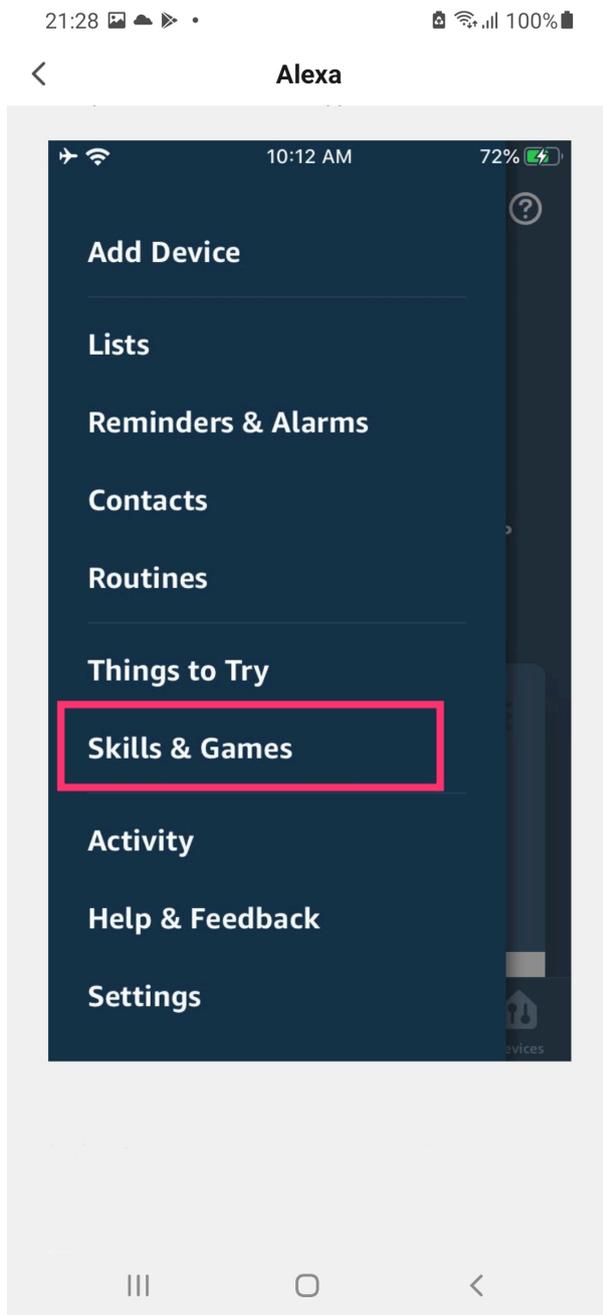

## Come aggiungere il tuo dispositivo all'app Nous Smart

1. Collegare la striscia led e il controller insieme
2. Collegare l'adattatore di alimentazione
3. Make sure that strip is blinking rapidly(if not, **disconnect and connect power adapter 3 times**)
4. Turn on Bluetooth and Location on your phone(temporarily)
5. Open Nous Smart app (register in app if needed)
6. Press + and Add device
7. **Autoscan will appear** and it will suggest you to add new device (or you can pick led strip category, **press led strip and connect it manually**)
8. Confirm connection and your WiFi network data
9. Start pairing
10. After pairing is done, you can rename your device if you wish and its ready to be used

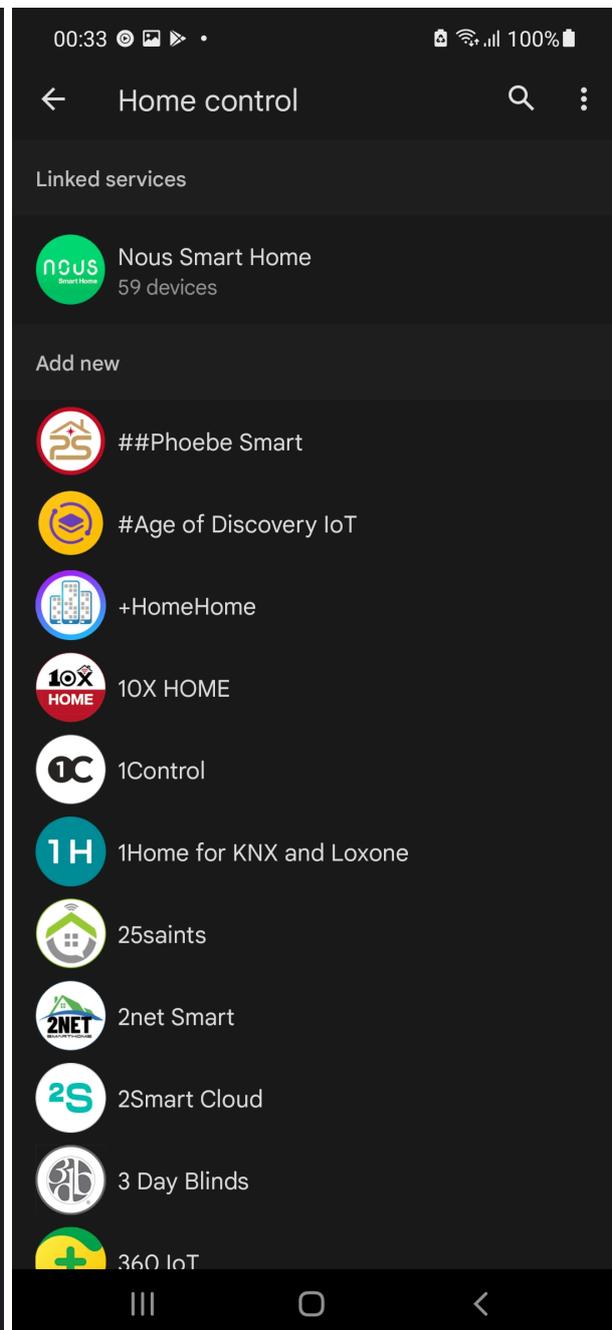

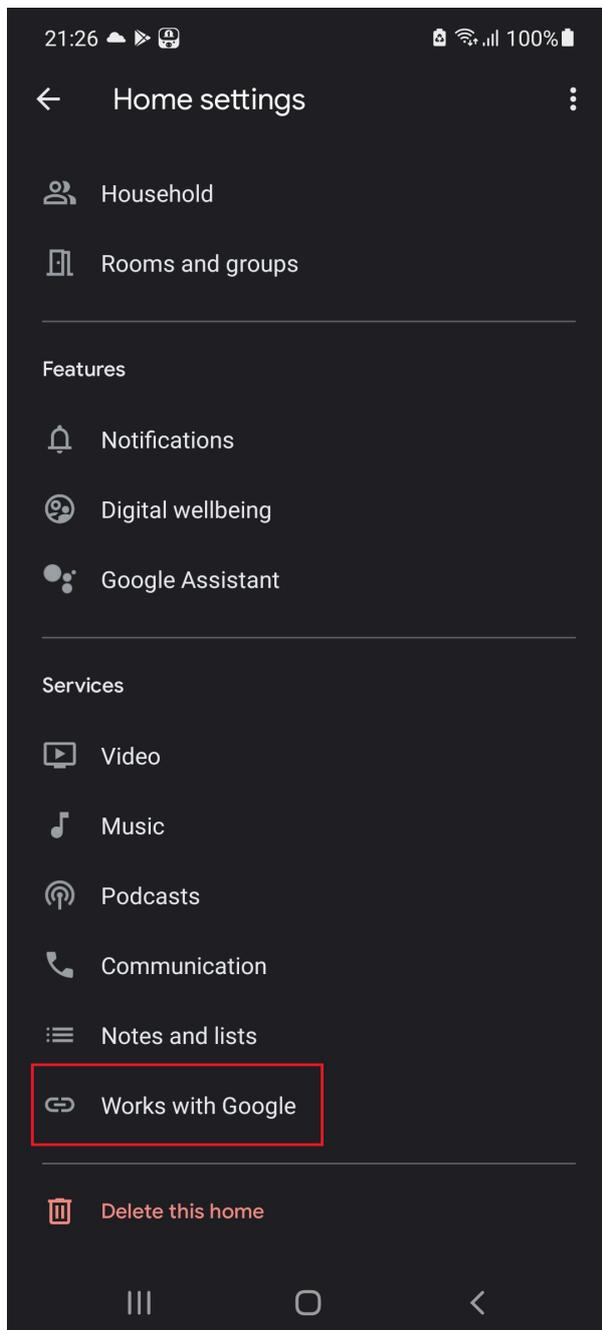

## How to connect your device with Alexa

1. You have to have Alexa app on youe smartphone
2. Go to settings and press "Skill and Games"
3. Search for the Nous Smart Home skill
4. Enable it
5. Link you Nous account with Alexa
6. Ask Alexa to discover new devices

## Come connettere il tuo dispositivo con Google Home

1. Devi avere l'app Google Home sul tuo smartphone
2. Vai alle impostazioni di casa e premi "funziona con google"
3. Cerca Nous Smart Home
4. Collega l'account a Google Home
5. Tutti i dispositivi dell'app Nous Smart appariranno in Google Home dopo la sincronizzazione

## Come disconnettere e cancellare tutti i dati
