

Manual de instructiuni

Banda LED Smart RGB+IC 5m

Veți avea nevoie de aplicația Nour Smart Home. Scanați codul QR sau descărcați-l de pe [linkul direct](#)

Cum să adăugați dispozitivul la aplicația Nour Smart

1. Conectați banda LED și controlerul împreună
2. Conectați adaptorul de alimentare
3. Make sure that strip is blinking rapidly(if not, **hold power button on controller for 10 seconds untill it starts blinking fast** or **disconnect and connect power adapter 5 times**)
4. Turn on Bluetooth and Location on your phone(temporarily)
5. Open Nour Smart app (register in app if needed)
6. Press + and Add device
7. **Autoscan will appear** and it will suggest you to add new device (or you can pick led strip category, **press led strip and connect it manually**)
8. Confirm connection and your WiFi network data
9. Start pairing
10. After pairing is done, you can rename your device if you wish and its ready to be used
